# Benefit from our intercultural mentoring program

Share your experience as a student with international students (mentees) at the beginning of their studies.

We are looking for committed mentors:

- coming from **various faculties and departments**
- **sharing their study experiences** for one semester
- supporting international students on a **personal, professional and social basis**
- willing to make time to meet at least 3-4 times per semester with their mentee(s)
- wishing to **share intercultural experiences** with others

**Take part and sign up as a mentor!**
